Scrofula, or King's Evil, blood, by which this fluid becomes vitiated, weak and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on 22 East Washington Street, any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, pure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. It is a melancholy fact that thousands who are suffering under pale and insatiate disease are victims of secret habit, self abuse, gradually undermining their constitution—the disease insidiously creeping on, every faculty is shattered, constitution wrecked, and they become subject only for a hospital or mad-house, unless death comes in as a welcome guest to relive the patient from his suffering, and his friends from the painful evidence of his irregularities and errors. The penalty will not cease with the transgression; the constitution has received the shock, and nature, unaided can not repair the injury. The only escape is found in prompt and proper medical treatment. The earlier this is sought the easier the cure. Generally the first symptoms in males, are noctural and sometimes diurnal emissions.
